

## § 1.1903

## 47 CFR Ch. I (10–1–03 Edition)

(b) Claims arising out of acquisition contracts subject to the Federal Acquisition Regulations (FAR) shall be determined, collected, compromised, terminated, or settled in accordance with those regulations. (See 48 CFR part 32). If not otherwise provided for in the FAR system, contract claims that have been the subject of a contracting officer's final decision in accordance with section 6(a) of the Contract Disputes Act of 1978 (41 U.S.C. 605(a)), may be determined, collected, compromised, terminated or settled under the provisions of this regulation, except that no additional review of the debt shall be granted beyond that provided by the contracting officer in accordance with the provisions of section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605), and the amount of any interest, administrative charge, or penalty charge shall be subject to the limitations, if any, contained in the contract out of which the claim arose.

(c) Claims based in whole or in part on conduct in violation of the antitrust laws, or in regard to which there is an indication of fraud, the presentation of a false claim, or a misrepresentation on the part of the debtor or any other party having an interest in the claim, shall be referred to the Department of Justice (DOJ) as only the DOJ has authority to compromise, suspend, or terminate collection action on such claims.

(d) Tax claims are also excluded from the coverage of this regulation.

### § 1.1903 Use of procedures.

Procedures authorized by this regulation (including, but not limited to, disclosure to a consumer reporting agency, contracting for collection services, administrative offset and salary offset) may be used singly or in combination, so long as the requirements of applicable law and regulation are satisfied.

### § 1.1904 Conformance to law and regulations.

The requirements of applicable law (31 U.S.C. 3701–3719, as amended by Pub. L. 97–365, 96 Stat. 1749) have been implemented in government wide standards:

(a) The Regulations of the Office of Personnel Management (5 CFR part 550) and

(b) The Federal Claims Collection Standards issued jointly by the General Accounting Office and the Department of Justice (4 CFR parts 101–105).

Not every item in the above described standards has been incorporated or referenced in this regulation. To the extent, however, that circumstances arise which are not covered by the terms stated in these regulations, the Commission will proceed in any actions taken in accordance with applicable requirements found in the standards referred to in this section.

### § 1.1905 Other procedures; collection of forfeiture penalties.

Nothing contained in these regulations is intended to require the Commission to duplicate administrative or other proceedings required by contract or other laws or regulations, nor do these regulations supercede procedures required by other statutes or regulations. In particular, the assessment and collection of monetary forfeiture penalties imposed by the Commission will be governed initially by the procedures prescribed by 47 U.S.C. 503, 504 and 47 CFR 1.80. After compliance with those procedures, the Commission may determine that the collection of a monetary forfeiture under the collection alternatives prescribed by this subpart is appropriate but need not duplicate administrative or other proceedings.

### § 1.1906 Informal action.

Nothing contained in these regulations is intended to preclude utilization of informal administrative actions or remedies which may be available.

### § 1.1907 Return of property.

Nothing contained in this regulation is intended to deter the Commission from demanding the return of specific property or from demanding, in the alternative, either the return of property or the payment of its value.

### § 1.1908 Omissions not a defense.

The failure of the Commission to comply with any provision in this regulation shall not serve as a defense to the debt.
